Laboratory Design Part 2 of 3: Design Best Practices

A distance learning opportunity

April 10, 2018
11:00 am – 1:30 pm (CDT)

Laboratory Design Part II: Design Best Practices offers an understanding of key principles underlying the design of research and diagnostics laboratories. It is intended for architects, designers and bio-safety professionals. Students will be introduced to laboratory design best practices as they relate to: building zoning, operational efficiency, biosafety and biosecurity factors, supporting good lab protocols and flexibility. Students will participate in guided discussions, develop diagrams to illustrate best practice concepts and analyze existing plans with respect to the design principles under discussion.

This webinar will be a 2.5-hour session on Tuesday, April 10 at 11:00 am CDT. For the webinar, you should plan on logging in at 10:45 am (CDT) on April 10. You are required to attend the webinar session, complete the pre-course and post course assessments, and complete the evaluation in order to receive the completion certificate through the ABSA International training site. The link in the invitation will be unique to the user and cannot be shared.

Upon completion of this webinar, participants will be able to:
- Restate the principles of good laboratory design
- Paraphrase the methods for developing, analyzing and improving laboratory designs
- Describe how good design practices work to enhance both biosafety and biosecurity

The webinar will be presented by Mark Fitzgerald, Director of Laboratory Planning, Soter BioCorp, Inc., Atlanta, Georgia; Vibeke Halkjaer-Knudsen, PhD, Principal Member of the Technical Staff, Sandia National Laboratories, Albuquerque, New Mexico; Natasha Griffith, MS, President/CEO, Soter BioCorp, Inc., Atlanta, Georgia; William D. Arndt, PhD, Principal Member of the Technical Staff, Sandia National Laboratories, Albuquerque, New Mexico.

WHO SHOULD ATTEND
All Safety Professionals, Experienced Biosafety Professionals, Risk Management Officers, Program Directors, Management Staff, Architects, Designers & Engineers.

In order to obtain the ABSA member rate, the participant will need to be an ABSA member in the year in which the training is offered. Course fees include: course handouts, access to the ABSA International training site, and 2.5-hours of interactive instruction from well-respected subject matter experts.

Group Discount: For all registration discounts, participants must be from the same organization: 10% off each registration for 3-4 participants; 20% off each registration for 5-9 participants; 30% off each registration for 10 or more participants. Please call the ABSA Office to register your group

TECHNICAL REQUIREMENTS
Internet access and phone is needed. GoTo Webinar requirements can be found through the check system requirements.

QUESTIONS
Please direct questions about this course to:
KariAnn DeServi, Director of Education, ABSA Office, 1-866-425-1385 (toll free), email: kariann@absaoffice.org

This course has been approved for 0.25 CM points toward RBP/CBSP recertification. * ABSA International is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program. This course is approved for 3.00 P.A.C.E.® contact hours. The links to the various invitations for the course will be unique to the user and cannot be shared. The links are for single, individual use only. If more than one occurrence of an individual’s name is on the attendee list for the webinar through Go To Webinar, all instances of that person’s name will be removed from the webinar with no refund. The webinar and its associated links are for single, individual use only.

In order to obtain the ABSA member rate, the participant will need to be an ABSA member in the year in which the training is offered.

Group Discount:

_____ 10% off registration for 3-4 participants from the same organization

_____ 20% off registration for 5-9 participants from the same organization

_____ 30% off registration for 10 or more participants from the same organization

For the group discount, please attach an additional note with the additional participants name, email address, and phone number.

Check enclosed (drawn in a U.S. Bank on U.S. funds; made payable to ABSA International)

_____ Visa  _____ MasterCard  _____ American Express

Card Number: _______________________________________________________________________

Expiration Date: ___________________________________________________________________

Cardholder’s Name: __________________________________________________________________

In order to obtain the ABSA member rate, the participant will need to be an ABSA member in the year in which the training is offered. Confirmed, paid participants will be sent detailed information regarding the course approximately one week prior to the course. Substitutions allowed with notice by 3/13/2018. There is a 15% processing fee for cancellations prior to 3/13/2018. Cancellations between 3/13/2018 and 3/20/2018 will be refunded at 50% of the course fee. No refunds after 3/20/2018.

The links to the various invitations for the course will be unique to the user and cannot be shared. The links are for single, individual use only. If more than one occurrence of an individual's name is on the attendee list for the webinar through Go To Webinar all instances of that person’s name will be removed from the webinar with no refund. The webinar and its associated links are for single, individual use only.
