Biosafety Buyer's Guide

www.biosafetybuyersguide.org

ABSA International launched the Biosafety Buyer's Guide to connect ABSA International partners with ABSA International members and biosafety professionals. The Guide will feature biosafety related companies, services, and consultants. The Guide will be beneficial in that it will offer biosafety professionals easy access to ABSA International partners' products and services. The Guide will offer basic (company contact information) or highlighted listings (company contact information and logo) and banner ads. Listings and ads can be purchased for one year.

ABSA International markets the Biosafety Buyer's Guide to ABSA International members, customers, and other stakeholders through e-mails, websites, search engines, and trade shows. This is the perfect place to promote your company's products and services. Please contact Karen Savage at 866-425-1385 or 847-949-1517 with any questions.
