### 07. TRAIN-THE-TRAINER: BEYOND THE BASIC:

*A distance learning opportunity*

**April 12 and 19, 2023**

1:00 – 3:00 pm (CDT)

**Train-the-Trainer: Beyond the Basics** is a webinar designed to take your instructor-led training to the next level. Using hands-on, practical applications you will learn to address the unique needs of adult learners (including accessibility needs), effectively plan your next training, and utilize tips and tricks to improve your facilitation.

This webinar will show you how to use a simple planning tool as a guide to make the most of your development time and more easily help you design an effective PowerPoint presentation. Looking to use tools to enhance your training? Join us as we incorporate a variety of interactive tools such as whiteboards and polls to gain real-time feedback. This webinar will show you how to effectively use questions to engage your in-person and virtual audiences, and help you establish rapport and trust with your participants.

The webinar will be led by a training manager with 25 years' experience designing and developing educational experiences for private and public clients.

This webinar will be two 2-hour sessions on Wednesday, April 12 and Wednesday, April 19, 2023, at 1:00 pm (CDT). For the webinar sessions, you should plan on logging in at 12:45 pm (CDT). You are required to attend the webinar session, complete and/or access all the modules in the course on the training site to receive the completion certificate through the ABSA International Training Site. The link in the invitation will be unique to the user and cannot be shared.

Upon completion of this webinar, participants will be able to:

- Incorporate a variety of interactive tools to engage your audience
- Utilize a simple planning tool as the foundation for presentations
- Write learner personas to effectively meet the needs of your audience
- Use technology to create active learning situations

The webinar will be presented by **Karin S. Wasler**, Training and Development Manager, University of California—Los Angeles Environment, Health and Safety, Los Angeles, California.
